PROVINCIAL SECRETARY.

Copy of a Report of the Honourable the Executive Council, approved by His Honour the Lieutenant-Governor on the 20th day of August, 1897.

THE Committee of Council has had under consideration the petition of the New Fraser River Gold Mines, Limited (Foreign), praying for relief from a possible forfeiture arising under the following circumstances:—

The petitioners, who are holders of a Free Miner's Certificate No. 6,076A, issued at New Westminster for one year from the 30th June, 1897, and are also the holders of two dredging licences on the Fraser River in connection with which they have expended large sums of money for development work, did on or about the 17th day of July, 1897, with the consent of the Gold Commissioner, acquire, at a cost of \$8,000, by assignment, two certain leases granted under the "Placer Mining Act, 1891," the one being dated the 24th November, 1893, and made between Frederick Soues, Gold Commissioner, acting on behalf of Her Majesty, as lessor, and George B. Guthrie and James Scott, as lessees, and being a demise of a certain parcel of land on the lower end of Saw-Mill Flat for the term of 15 years, and the other being dated the 7th day of March, 1894, and made between G. C. Tunstall, Gold Commissioner, acting on behalf of Her Majesty, as lessor, and Trail Lyl, as lessee, and being a demise of a parcel of land on the Fraser River, about 18 miles from Lytton, for the term of 20 years.

Subsequent to such assignments questions arose as to whether the original lessees and subsequent assignees had at all times during their respective holdings of the said demised premises been the possessors of Free Miner's Certificates. From enquiries made on behalf of the petitioners it appears in the case of the first mentioned lease, Free Miner's Licences were issued to J. B. Guthrie on the 17th April, 1893, 5th May, 1894, 4th May, 1895, and 6th May, 1896, and to the other lessee, James Scott, on the 13th April, 1893, 27th May, 1895, and 8th April, 1897; that Walter Pears, to whom said lease was duly assigned by the said lessees on 15th May, 1895, was the holder of a certificate issued on the 4th December, 1895, at New West-

minster, and that the Fraser River Gold Mines, Limited, a Foreign Company not registered in this Province, to whom the said lease was assigned by the said Walter Pears on the 17th December, 1895, and the liquidator whereof was the vendor to the petitioners, were the holders of a Free Miner's Certificate dated the 29th November, 1895. And in the case of the secondly mentioned lease the original lessee, Trail Lyl, was the holder of the following:—Free Miner's Certificate No. 40,686, the date and place of issue whereof is unknown, and No. 55,186, dated 25th October, 1894, and assigned the said lease to the aforesaid Walter Pears on the 15th May, 1895, by whom it was assigned on the 17th December, 1895, to the Fraser River Gold Mines, Limited, and by their liquidator to the petitioners.

The Minister of Mines, to whom the matter was referred, reports that the rentals of the said leases have all been duly paid; that no records adverse to the petitioners' interests, or the interests of their predecessors in title, have been made in either of the Mining Divisions in which the said properties, or either of them, are situate, and that the petitioners are ready and willing to pay their fees for the various Free Miner's Certificates which were not taken out, or not taken out in time, by their predecessors in title, and recommends that an Order in the following terms be made:—

That if the New Fraser River Gold Mines, Limited (Foreign), shall, within two weeks from the date of this Order, pay to the Recorder of the Mining Division in which the properties comprised in the leases mentioned in the petition are respectively situate the fee or fees for any Free Miner's Certificate or Certificates which ought to have been taken out or kept up by any of their predecessors in title, thereupon the title of the said Company to the said leases, and the term thereby respectively granted, shall be, and be deemed to be, as good and effectual as if the Fraser River Gold Mines, Limited, had been duly registered, and no default had ever been made.

The Committee concur in the report, and advise approval of the recommendation.

JAMES BAKER,

Clerk, Executive Council.

IN THE MATTER OF THE "PLACER MINING ACT (1891) AMENDMENT ACT, 1895" (SECTION 13), AND OF THE "MINERAL ACT, 1896" (SECTION 161).

NOTICE is hereby given that His Honour the Lieutenant-Governor in Council has been pleased to repeal the regulation of the 11th day of December, 1896, with regard to relief against forfeiture owing to the lapse of a Free Miner's Certificate heretofore in force, and to make the following regulation in respect thereof, such repeal and new regulation to take effect on the 15th day of November, 1897:

Any person or joint stock company, being the holder of any mining property, desiring relief against the forfeiture of his or its interest in such property by reason of an omission to obtain a new free miner's certificate on or before the day following the expiration of the certificate, shall observe the following conditions:

1. Forthwith upon ascertaining the expiry of his certificate obtain a new one:

2. At the time of obtaining such new certificate file with the Recorder issuing the same, and post in the Record Office, a notice of his intention to apply for relief:

3. Within 30 days from such filing transmit to the Minister of Mines the following documents and fee:—

(a.) A statutory declaration setting forth the circumstances of such omission, with full particulars of the mining properties held by the applicant which would be affected with forfeiture:

(b.) A certificate under the hand of the Gold Commissioner or Mining Recorder of each division wherein any of the said properties is situate, that notice has been posted, and that no records (other than those mentioned in the said certificate, if any) adverse to the applicant's interest in the said properties have been made by him during the time in which the said applicant was not in possession of a valid existing free miner's certificate:

In the BRITISH COLUMBIA GAZETTE, and in one newspaper published in the District affected, or if there be no newspaper published therein, then in a newspaper in the next nearest District in which a newspaper is published.

Such notice shall be continued in each case for a period of at least six weeks, during the interval of time between the close of the next preceding Session and the consideration of the Petition, and copies of such notice shall be sent by the parties inserting such notice to the Clerk of the House to be filed amongst the records of the Committee on Standing Orders.

60. Before any Petition, praying for leave to bring in a Private Bill for the erection of a Toll Bridge, is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by the preceding rule, also at the same time and in the same manner, give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts and vessels, and mentioning also whether they intend to erect a draw-bridge or not, and the dimensions of the same.

61. All Private Bills for Acts of Incorporation shall be so framed as to incorporate by reference the clauses of the General Acts relating to the details to be provided for by such Bills:—Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the General Act is proposed to be departed from. Bills which are not framed in accordance with this Rule shall be re-cast by the promoters and re-printed at their expense before any Committee passes upon the clauses.

or for amending, extending, or enlarging any former Acts, in such manner as to confer additional powers, ought not to fall on the public; accordingly, the parties seeking to obtain a Private Bill shall pay the Clerk of the House the sum of one hundred dollars before the first reading thereof; and an additional sum of one hundred dollars immediately after the second reading thereof. And no such Bill shall be read a first time, or committed after second reading, until the fees payable on the first or second reading respectively are paid to the Clerk, and all such Bills shall be prepared by the parties applying for the same, and printed in small pica type, twenty-six ems by fifty ems, on good paper, in Imperial octavo form, each page when folded measuring 10 $\frac{3}{4}$ inches by 7 $\frac{1}{2}$ inches, and 100 copies thereof shall be deposited with the Clerk of the House immediately before the first reading. And if this Rule shall be suspended or modified as aforesaid the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the Petition has been received after the time hereinbefore limited, shall in either case pay double the fees required as herein mentioned, unless the House shall order to the contrary. Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight days before the opening of the Session, a printed copy of such Bill, a copy of the Petition to be presented to the House, together with the notices published. At the time of depositing the Bill, the applicant shall also pay to the Clerk of the House a sum of three hundred dollars. If the Bill shall not pass second reading one-half of the fees paid shall be returned.

62. Petitions for Private Bills when received by the House are, with the certificate of the Law Clerk as to their being in compliance with the Rules, to which certificate shall be attached a copy of the published notice, to be taken into consideration (without special reference) by the Committee on Standing Orders, which is to report in each case whether the Rules with regard to notice have been complied with, and in every case where the notice shall prove to have been insufficient, either as regards the Petition as a whole or any matter therein, which ought to have been specially referred to in the notice, the Committee is to recommend to the House the course to be taken in consequence of such insufficiency of notice.

63. All Private Bills are introduced on Petition and presented to the House upon a motion for leave within three days after such Petition has been favourably reported on by the Committee on Standing Orders.

The said Municipality shall be called and known by the name and style of "The Corporation of the City of Cumberland."

The said Municipality shall comprise all that piece or parcel of land hereinbefore described.

The Council shall consist of a Mayor and five Aldermen, and the whole number present at each meeting thereof shall not be less than four.

The nomination shall take place, and the poll (if any) shall be held at the Court House, in said Municipality.

No speeches or interruption to the proceedings of nominating candidates at the hustings shall be permitted by the Returning Officer between the reading of the notice of election and the closing of the proceedings on nomination day by the Returning Officer.

All expenses attendant upon the said election shall be borne by the candidates in equal proportion; such expenses shall not exceed in the whole one hundred dollars.

The opening of the ballot boxes and counting the votes shall be in the presence of the candidates if they attend for that purpose.

The Returning Officer, after the declaration of the poll, shall retain the ballot papers and boxes until a Clerk shall be duly appointed, to whom he shall forthwith deliver the same.

Every person who shall have presented himself for nomination, and who shall have been elected a Mayor or an Alderman, must serve for the term for which he has been elected, unless in the case of sickness, or in default pay a sum of fifty dollars towards the Municipal Revenue; such sum, with costs, shall be recoverable by the Clerk of the Municipality, summarily, before any Justice of the Peace.

Any vacancy in the office of Mayor or Alderman shall be filled as provided by the "Municipal Elections Act, 1896."

The first meeting of the Council shall be held on the first Saturday after the day of election, at the Court House, at two o'clock in the afternoon.

Until provision be made by by-law, in that behalf, all proceedings at and relating to the meetings of the Council shall be held and taken in accordance with the provisions contained in the "Municipal Clauses Act, 1896," and all the powers, privileges, and duties of the Mayor and Council shall be the same as those prescribed by the said Act.

At the first meeting, or as soon thereafter as possible, the Council may elect a Clerk, Treasurer, Collector, and Assessor, or such officers as they may deem necessary, who shall hold such office during the pleasure of the Council, and receive such remuneration as the Council may by by-law appoint.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent, and the Great Seal of the said Province to be hereunto affixed: WITNESS, the Honourable EDGAR DEWDNEY, Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this twenty-ninth day of October, one thousand eight hundred and ninety-seven, and in the sixty-first year of Our Reign.
